ABOUT ME

I am a dedicated and results-driven individual with a strong academic background, having achieved a **perfect GPA of 5.00** in all four national examinations of Bangladesh—**PSC, JSC, SSC, and HSC**. My passion for **problem-solving and continuous learning** drives me to take on new challenges and refine my skills.

With a keen interest in **Computer Science and Engineering (CSE)**, I aim to expand my knowledge, contribute to **large-scale national projects**, and play a role in advancing **Bangladesh's engineering sector**.

HOBBIES AND INTERESTS

Sports Enthusiast and Volunteering

I am passionate about **sports and community engagement**. I actively participate in **cricket, football, and racket sports**, which enhance my **teamwork, strategic thinking, and resilience**. These activities not only keep me physically active but also help me develop **discipline and a competitive spirit**.

Additionally, I am dedicated to **volunteering**, as I believe in giving back to the community. Engaging in various initiatives allows me to **develop leadership skills, work collaboratively, and make a positive impact** on society.

VOLUNTEERING

2020 – CURRENT Thakurgaon Sadar

Community Service & Volunteering

I am deeply committed to **community service and humanitarian work**. As a former volunteer for **Red Crescent and BD Clean**, I actively contributed to social welfare, disaster response, and environmental initiatives. Additionally, I have participated in **lood donation drives**, recognizing the importance of helping those in need. Through these experiences, I have developed a **strong sense of responsibility, teamwork, and leadership**, reinforcing my dedication to making a positive impact on society.

CREATIVE WORKS

DEC 2018 – JAN 2019

One Minute Junior Video Workshop for Children by UNICEF

Md. **Nasim Hussain Labib** successfully participated in the **One Minute Junior Video Workshop**, held in **2018**. This workshop, organized by **Sujanshil Balashe, Bangladesh Short Film Forum**, and **Bangladesh Shilpakala Academy**, aimed to provide children with the skills and tools to create impactful, short videos.

As a participant, I gained valuable insights into **video production and creative storytelling**, exploring the power of visual communication in a concise format. The workshop not only enhanced my **technical skills** but also fostered my ability to **express ideas effectively** within a limited time frame.

This experience contributed to my growth as a **creative thinker** and ignited my passion for **media and communication**.

HONOURS AND AWARDS

31 DEC 2021 DEPARTMENT OF YOUTH DEVELOPMENT MINISTRY OF YOUTH & SPORTS

Electrical and House Wiring

I have gained practical knowledge and hands-on experience in **Electrical and House Wiring**, including the installation, maintenance, and troubleshooting of electrical systems in residential buildings. This involves working with **electrical circuits, switches, outlets, and lighting systems** to ensure proper functioning and safety. By understanding **electrical codes** and safety standards, I am able to carry out tasks that provide reliable and efficient electrical solutions for households. This skill set enables me to confidently handle wiring projects, ensuring both **functional reliability** and **safety** in the electrical installations.
